- Built in 2GB of Memory
- Transfer Data via Micro SD Slot or Mini USB Port
- Long Lasting Battery (Up to 8 Hours of Play)
- Easy to Wear with either Magnet or Lanyard
- Plays Continuous Loop (Video or Slide Show)

Catch everybody's attention with the Video Promo Badge. This small wearable digital video player easily gets you noticed and brings your audience to you. It helps you create those one on one sales opportunities. It also guarantees that you will be remembered afterwards. Who can forget the person wearing a video?

The Video Promo Badge is the new way to promote your product, services, specials, basically anything you can think of. While this dynamic people magnet is effective anywhere, a few possible places are:

- Hospitality
- Trade Shows
- Customer Service
- Auto Dealerships
- Banks
- Restaurants

Remember the Video Promo Badge has endless promotional possibilities which are only limited by your imagination!
