Product Parts

- 1 - Plinko Hardware
- 2 - Graphics
- 3 - Plinko Puck (qty 3)

*Item comes fully assembled

Graphic Install

Step 1

Slide Top Graphic (2) into top header slot of Plinko Hardware (1).

Step 2

Slide each Prize Graphic (2) into windows on bottom of Plinko Hardware (1).

Assembly

Step 1

Set Plinko Hardware (1) on flat surface with Prize Graphic (2) windows closest to the flat surface.

Step 2

Swing out metal support leg from back of Plinko Hardware (1) until chain is fully extended. This support leg will hold the Plinko Hardware (1) upright on the flat surface.

DisAssembly

Step 1

Leave Graphics (2) in Plinko Hardware (1) for quicker assembly next time.

Step 2

Hold Plinko Hardware (1) with one hand for support and swing support leg back into Plinko Hardware (1) with the other hand.

Storage

Step 1

Store Plinko Hardware (1) with installed Graphics (2) in a cool, dry place out of direct sunlight.

Care

Step 1

Clean hardware with a damp cloth and wipe dry.

Clean graphics with dry cloth.

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
