

Tower

TOW-S/B, TOW2-S/B

This cost effective, double sided, free standing tower features a sturdy construction and stylish design. The graphics are held under tension in a curved, eye-catching bubble position. Silver or black side extrusions are available and a backlighting kit is available to turn your tower into a lightbox.

features and benefits:

- Quick to set up
- Two widths available
- Lightbox conversion option
- Available in black or silver
- Large graphic display area
