210220	38" w x 83.5" h

## Product Parts

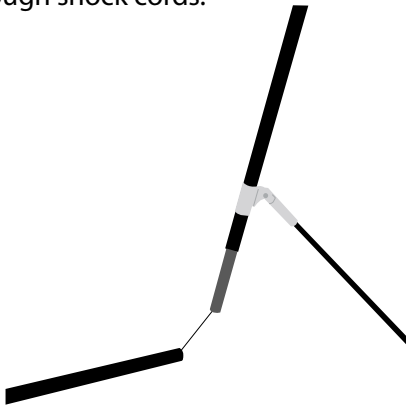

- 1 - Tower Graphic
- 2 - Base Unit

## Display Set-Up

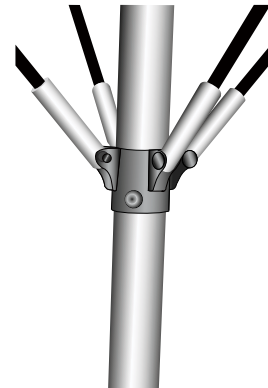

### Step 1

Remove all parts from the bag and place on a clean flat surface. Insert all four dangled poles into desired base unit so that the unit is able to stand. Poles should all be attached through shock cords.

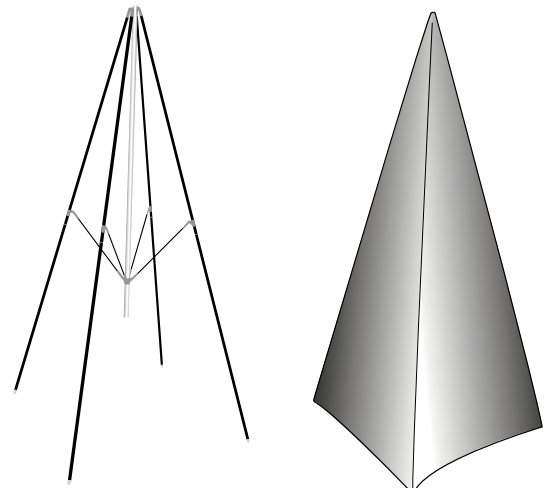

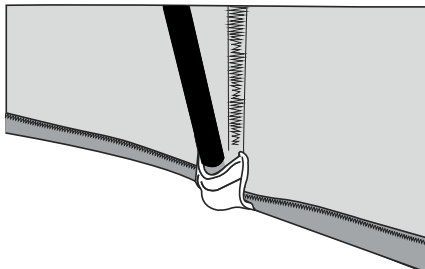

### Step 2

Look to the center of the frame and make sure the you have clicked the secure button in place. This will help hold the frame in place.

### Step 3

Now you can place your graphic over the top of the frame forming it as you bring it down. There will be four pockets placed on the inside of the graphic that go over the bottom of the frame legs.

## Storage

Reverse steps and place all product parts into Carry Case and store in a cool dry location.

## Care

To clean, wipe with damp cloth.

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
